Mental Health Urgent Care Center @ Long Beach

A service for people with urgent mental health needs

MHUCC is a county-funded program, operated by Telecare under contract with the Los Angeles Department of Mental Health. Service goals are to help people resolve crises and regain stability in their lives. Users of the program will have fewer incarcerations, psych ER visits and hospitalizations. It is NOT an ER or private hospital.

6060 Paramount Blvd. Long Beach, CA 90805 (562) 790-1860
Open Monday through Friday, 8 a.m. to 7 p.m., no appt. necessary.
Receptionist on site from 8 a.m. to 5 p.m.

When in doubt — MHUCC vs. ER — bring or refer people to the MHUCC (if they want), or call the program for help in deciding.
