- 530-673-8255 or toll-free at 888-923-3800: 24-Hour Psychiatric Emergency Services (Crisis Services)

Hands of Hope

We are a 501 (c) 3 charitable corporation, independent of any church or other organization, but find support throughout the local faith community, business community, service organizations, and private individuals.

Our mission is to enhance the quality of life in the Yuba-Sutter area by:

- Providing core support services to the homeless.
- Reintegrating the homeless within our community.
- Engaging the community to respond to the challenge of homelessness.

Telecare Corporation

Telecare is a family- and employee-owned company that has been treating individuals with serious mental illness since 1965. We specialize in innovative, outcomes-driven services for high-risk individuals with complex needs.

Our programs are recovery-focused and clinically effective and are designed in partnership with local, county, state and other behavioral health organizations. We currently provide services in multiple states and have more than 4,000 employees.

Welcome to New Haven

On behalf of the on-site service providers, Hands of Hope and Telecare Corporation, we want to warmly welcome you to your new home at New Haven! We look forward to supporting your hopes and dreams in this housing opportunity.

The following is available to you as a resident of New Haven:

Supportive Services:

- On-site supportive and case management services are available to you 7 days a week
- Services are voluntary and meet a range of social, case management, recovery, and housing needs
- Services are provided throughout the community based on preference: on-site in community space, in your unit, in supportive service office, or the community if appropriate
- Both individual services and group programming are available
- Each unit is connected to either Hands of Hope or Telecare Corporation for primary case management and service needs; however, all staff on-site can assist you
- Building-wide activities and events:
 - Social and educational/informational events will be posted and available to any resident
 - Community meetings will be led by supportive services staff and property management staff to share building-wide information relevant to your residency

How You Can Be an Active Part of This Community

- You can participate in resident council meetings and community meetings
- You may host social activities in the community room for all residents to participate in
- You can help create a welcoming community for all by being a good neighbor
- You can do your part to keep the community space clean by picking up after yourself and your guests
- You can communicate your needs and concerns to on-site service providers and/or property management

Your On-Site Supports

Property Management
